BOONE HIGH SCHOOL PRE-REGISTRATION AND REGISTRATION

The high school counselors will soon begin pre-registration and registration for next year's classes. During pre-registration, counselors will be meeting with students in either an English or Social Studies class to provide them with information and resources for planning next year's schedules. Once they have this information, students will make their requests, have a parent or guardian approve the requests and in another session with their counselor, enter their requests into Infinite Campus. The school then uses these requests to determine staffing and plan the master schedule. *We encourage all students to be very thoughtful and deliberate when choosing classes. There will be an opportunity to change schedules before school starts, but getting it right the first time is very helpful.*

ALL DISTRICT PTO THANK YOU FROM BOONE COMMUNITY SCHOOL DISTRICT:

Thank you to all of the families, staff, and administrators who attended the All District PTO Night on January 12th. The presentation by Dr. Manard and group discussion were a success. We hope to see even more faces at our next All District PTO Meeting in the fall.

4TH GRADERS WRITING WITH A PURPOSE:

4th Graders at Franklin Elementary recently had the opportunity to write letters to a US War Veteran. The letters helped the students understand the veterans experiences while brightening the day of the war veteran who received them. The 4th graders had recently been discussing writing with a purpose and this helped them practice their skills.

HONORS ENGLISH COURSES AVAILABLE NEXT YEAR FOR 9TH AND 10TH GRADERS:

The Boone High English department is excited to announce the opportunity for current 8th and 9th grade students to enroll in honors English courses for the 2017-18 school year. These honors courses are highly recommended for students who intend to take AP Literature in 11th grade and DMACC / AP Composition in 12th grade. Course registration will begin in the next few weeks. Counselors will offer more information when they visit English classrooms to register students. This is a fantastic opportunity for students who desire more challenge and rigor in language arts courses.

DIGITAL BACKPACK

<https://boone.k12.ia.us/new/index.php/district/notices/digital-backpack/>

The BCSD utilizes a Digital Backpack online to inform and distribute information to parents on school sponsored activities, non-profit organizations and community events throughout the year! Please be sure to visit the Digital Backpack often as new items are added regularly.

CONGRATULATIONS TO BHS BOYS SWIMMING: The BHS Boys Swimming team was awarded \$500 to their program from the Athletic Boosters. Way to go boys swimming and thank you boosters for all of your support!

DIGITAL STORYTELLING:

One student on the Boone High tech team has been working hard on integrating technology into the classroom. With the cooperation of a Boone Middle School teacher, she had that opportunity. Sixth grade students wrote a personal narrative and then with the high school student's instruction and guidance, they took one section of that narrative and created a digital story using Scratch. This project allowed students to use their creativity, promoted collaboration, and enhanced critical thinking skills. With the high school student's goal of being a teacher, what a great experience for her and the middle school students.
